IMPORTANT INFO

Members,

The end of the school year is just around the corner and an agreement between the Union and the District regarding Article 34 – Salaries and Article 42 – Retirement is still in the Negotiation's process.

Our next meeting with the District will be held on Friday, June 6th. For many of you, this will be during your Summer Break. Unfortunately, we will have to vote on the Collective Bargaining Agreement (CBA) in August 2014 if we come to an agreement during the summer.

The current offer still stands at:

- 2% raise; retroactive from January 2014
- 2014/2015 - Medical will remain the same
- Article 42 – Retirement; no offer has been submitted for any changes
- Vote on all Articles with changes

If you would like to be updated when any changes occur, please forward your personal email address to valeriewsw8599@yahoo.com Please do not use your District email address.
