ARTICLE 7

CONTRACT WORK

During the term of this Agreement, the District retains its right to contract-out work; provided, however, that such contracting-out shall not cause Classified Bargaining Unit Members to be laid-off, not be recalled, or reduced in hours of employment.

ARTICLE 8

NON-UNIT AND HOURLY EMPLOYEES

The District agrees that non-unit and hourly employees shall not be used at any time to displace Classified Bargaining Unit Members, except: in case of emergency as determined by the District, when Classified Bargaining Unit Members are unavailable for work assignments; declined the work assignment; or for purposes of training; nor shall this clause be used to require the District to assign overtime.

MANAGEMENT

The District agrees that management shall not perform Classified Bargaining Unit work, except for the purposes of training; when Classified Bargaining Unit Members are unavailable for assignments; have declined to accept the work assignment; or in cases of emergency as determined by the District. This clause shall not be used to require the District to assign overtime.

Hourly employees shall not be used at any time to displace Classified Bargaining Unit Members or be used by the District in lieu of permanently filling a vacant position except when Classified Bargaining Unit Members have declined the work assignment, in emergencies as determined by the District, or when Classified Bargaining Unit Members are not available to perform the work assignments.

The District may employ substitute employees to work in place of Classified Bargaining Unit Members who are temporarily absent from their job assignments; pursuant to Education Code §45103 and this Agreement, substitute employees may be employed by the District as soon as a position is vacant, and the term of such employment shall be for up to one hundred and five (105) calendar days after the

PROMOTIONS OUT OF THE BARGAINING UNIT

An employee who transfers or promotes into a non-Classified Bargaining Unit position within the District will continue to accumulate seniority. A Classified Bargaining Unit Member who leaves the Classified Bargaining Unit and fails to complete probationary service for the non-Classified Bargaining Unit position shall be returned to the same Classified Bargaining Unit job classification which he or she previously occupied pursuant to Education Code §45113.

Such returning employee shall not displace an existing Classified Bargaining Unit Member, except in cases of a reduction in force where Article 46 is controlling.

ARTICLE 10

JOB VACANCIES

When a vacancy or anticipated vacancy occurs, the District shall post, without undue delay, the vacancy or anticipated vacancy for a minimum of five (5) working days. The posting shall list the position to be filled, job description, minimum qualifications, and rate of pay. If the District anticipates making a vacancy available to the general public (posting open to the public), then the District will give notice to the Union prior to posting said vacancy. In situations where the District determines that a delay in posting a vacancy will occur, the District will provide notification to the USW President.

When additional vacancies of the same classification occur within three (3) months of the original posting, the District shall have the right to utilize applications received on the most recent posting as an applicant pool. Any current employee who has not elected to apply for the original posting shall be provided an additional five (5) day period to submit an application for such additional vacancies.

The posting shall be at all locations within the District where Classified Bargaining Unit Members work.

Any Classified Bargaining Unit Member who wishes to apply for a vacancy shall submit an application via the District's electronic application system within the period specified in the posting.

Classified Bargaining Unit Members who wish to be notified of vacancies via email must submit a request to be added to the Interest Notification List using the online application system. Interest Notification Requests may be submitted at any time and will remain on file for the current school year (July 1 – June 30) only. As classified

vacancies occur, Classified Bargaining Unit Members with an Interest Notification Request on file will receive an email stating the position to be filled and the specified posting period.

VACANCIES:

When filling any vacant Classified Bargaining Unit position, the District shall use the following factors to determine the most qualified applicant:

1. Skill and ability to perform the work as demonstrated by prior successful experience and competence;
2. Physical fitness as it relates to the job applied for; and,
3. Seniority

The District shall, in evaluating criterion 1 above, review the employee's current job performance and history of discipline within the past twelve (12) months. The employee shall have prior notification of the areas of performance concern.

When a junior employee or an outside applicant exceeds a senior employee with respect to factors 1 and 2 above, the District may, in its discretion, select the junior employee or outside applicant for the vacant position. When candidates are equally qualified under factors 1 and 2 above, factor 3 (length of continuous service with the District) shall be controlling.

A promotion includes, but is not limited to, an upward movement in pay range and/or job classification.

TRANSFERS:

A transfer is defined as a lateral movement from one job classification on the classified salary schedule to the same job classification in the same or another District office, site, or department. Classified Bargaining Unit Members who request such

1 transfer must submit an application via the District's electronic application system.
2 Transfers are subject to the same selection process as promotions.

3 When filling vacant Classified Bargaining Unit position(s), the District may, after
4 complying with this Article, select any Classified Bargaining Unit Member or non-
5 Classified Bargaining Unit applicant for the vacant position, except in cases of
6 Reduction in Force.

7 MUTUAL OCCUPATIONAL VOLUNTARY EXCHANGE (M.O.V.E.) PROGRAM

8 Classified Bargaining Unit Members may request to exchange assignments with
9 a colleague, provided both employees are in equal positions, hours and work year.

10 Any request to exchange assignments under this provision is subject to the
11 following:

- 12 1. Both affected employees agree to the transfer to the new sites;
- 13 2. Both Site/Department Administrators agree to accept the transfer; and
- 14 3. Both the Union and District agree to the transfer.

15 If all of the above conditions are met, then the employees will be transferred
16 accordingly. This provision shall not apply if the employee has a reduction in work
17 year/hours and would gain in year/hours as a result of this provision. Qualified
18 employees who wish to transfer under the terms of this provision shall make the request
19 to the Union who will facilitate the request by acting as the intermediary between the
20 employees. The Union will then make the request to the District.

21 Employees and the Union agree that once they sign the request or agreement to
22 transfer, they shall waive any and all rights to grieve or seek other forms of redress for
23 any incidental occurrences arising out of the request or denial thereof. Employees
24 understand approval for the request by each party above is discretionary and denials

1 are neither subject to appeal or review.

ARTICLE 11

NEW OR CHANGED JOB CLASSIFICATION

The Joint Union and Management Reclassification Committee shall promptly review such new or changed job descriptions to determine if the job description and range accurately reflect the scope of the job as currently performed and/or as proposed.

The Joint Union and Management Reclassification Committee shall develop processes and procedures regarding description and classification changes by mutual agreement.

The Joint Union and Management Reclassification Committee shall be composed of at least three (3) representatives from each side, not to exceed four (4) members from each side. The members shall be appointed by each side at their discretion. The minimum number of members necessary to conduct the business of the Committee is two (2) members from each representative side.

Each member shall become fully trained and experienced in the use of the Modified Hays Evaluation Method (as adopted by the Board of Education), and the Reclassification Committee's procedures and process. New members shall be trained by the other committee members before participating.

It shall be the goal of the Union and the District to participate in yearly reclassification training sessions.

The job description and classification for each position as of the date of this Agreement shall continue in full effect unless:

1. The District changes the job content (requirements of the job as to knowledge, skills, mental effort, responsibility and working conditions); or

2. The description and classification are changed by mutual agreement of the Joint Union and Management Reclassification Committee.

1 NEW/CHANGED JOB DESCRIPTION

2 When and if, from time to time, the District, at its discretion, establishes a new job
3 or changes the job content (requirements of the job as to the knowledge, skills, mental
4 effort, responsibility and working conditions) of an existing job, a new job description
5 and classification for the new or changed job shall be established in accordance with
6 the following procedure:

7 1. The proposed description will be developed and submitted to the Joint
8 Union and Management Reclassification Committee.

9 2. In order to expedite a new job position, a Joint Union and Management
10 Reclassification Subcommittee may be established and utilized to finalize classification
11 on each new job. The Joint Union and Management Subcommittee shall be composed
12 of not less than one (1) committee member from each side, who shall be members of
13 the Joint Union and Management Reclassification Committee. The Director, Classified
14 Human Resources and Union President may serve as additional members of the
15 Reclassification Subcommittee regardless of whether they are members of The Joint
16 Union and Management Reclassification Committee.

17 The Joint Union and Management Reclassification Subcommittee may also
18 expedite job description changes when related to safety or conformance with law.

19 3. If the Joint Union and Management Reclassification Committee agrees on
20 the new or changed job description and the assigned salary range, the job description
21 shall then be reviewed by the Classified Bargaining Unit Member assigned to work in
22 that job description, if they do not agree with the reclassification committee decision, the
23 Classified Bargaining Unit Member's sole remedy shall be one (1) appeal to the full
24 Committee, which shall promptly meet with the Classified Bargaining Unit Member to

1 review the matter and to render a final decision.

2 4. The decision of the Committee in this situation shall be final and shall not be
3 subject to the grievance process. At that time, then forwarded to the Board of Education
4 for approval and implementation.

5 5. Any adjustment in the pay rate will be effective as of the date the Committee
6 approves the change or changes to the job, pending Board Approval. If more than 12
7 months have passed from the date that the Position Reclassification Questionnaire was
8 received in Human Resources to the date the Reclassification Committee first convenes
9 to hear the reclassification request, the Committee, by consensus may, based on
10 information in the original questionnaire, set the effective date of the applicable
11 adjustment in pay rate retroactively to three (3) months prior to the Committee's
12 approval of the reclassification request. The effective date of the applicable adjustment
13 in pay rate is contingent upon Board Approval.

14 SUBMISSION OF RECLASSIFICATION QUESTIONNAIRE

15 Prior to submitting a completed reclassification questionnaire, the Classified
16 Bargaining Unit Members in the job classification must first reach out to the Union office.
17 The Union will contact the affected Classified Bargaining Unit Members in that
18 classification and let them know that Classified Bargaining Unit Members in their
19 classification are seeking to complete a reclassification request. The Union will create a
20 signature page for all affected employees to sign. The Classified Bargaining Unit
21 Members will then meet on their own time to discuss their reclassification. All parts of
22 the form shall be completed and submitted to the USW Local 8599 and the District.
23 Reclassification submission date shall be the earliest date recorded. Incomplete request
24 forms shall not be considered by the Joint Union and Management Reclassification

1 Committee. The member shall be notified that the form is incomplete and given the
2 chance to resubmit the request.

3 The Reclassification Committee shall then meet with the affected Classified
4 Bargaining Unit Member and render a final decision pursuant to the procedures outlined
5 above.

6 Classified Bargaining Unit Members shall not be allowed to resubmit a request
7 for reclassification of the same position for a period of twelve (12) calendar months from
8 the completion of the initial analysis and appeal process as provided above unless a
9 significant change has occurred in the job description or duties of the Classified
10 Bargaining Unit Member.

11 No change in job classification and/or description may be requested if Classified
12 Bargaining Unit Members are assuming duties and/or responsibilities on their own.
13 However, if the District, on a recurring basis, directs such new assignments or changes
14 in the job content, or if a Classified Bargaining Unit Member alleges that his or her
15 current job description does not accurately reflect duties currently being performed by
16 the Classified Bargaining Unit Member, or that he or she is performing duties outside of
17 his or her current job description, a Classified Bargaining Unit Member assigned to work
18 in that job classification may request a change in that job classification and/or job
19 description and/or reclassification to the appropriate classification by submitting such a
20 request to the Joint Union and Management Reclassification Committee on the
21 appropriate District-approved "Position Reclassification Questionnaire" form.

1 C. Permanent Classified Bargaining Unit Members who work voluntarily
2 outside of their regular contracted work year in the performance of duties in a
3 classification lower than their own shall be compensated at whatever step in that range
4 which would provide a rate of pay closest to or equal to that normally earned by the
5 Classified Bargaining Unit Member, which in some cases may be less than the
6 Classified Bargaining Unit Member's regular rate of pay but shall not be more.

7 D. Additional Assignments shall be offered to those Classified Bargaining
8 Unit Members in the same classification based on a rotation of District seniority at the
9 site (e.g., School Site Aides, Kitchen Assistants).

10 E. Additional assignment hours which qualify for overtime compensation
11 under Article 13 shall be paid accordingly. All other work hours shall conform to
12 sections A-C above.

13 The Food Services Department participates in a federal summer meal program
14 that serves participants at locations that may be throughout Fontana and the
15 surrounding areas. The Summer Meal Program is not Summer School and may or may
16 not be operated in conjunction with an academic summer school program. In addition
17 to the procedures that apply to Additional Assignments as specified above, the following
18 guidelines will be used when selecting personnel to work additional assignment for the
19 Summer Meal Program.

20 A. The Food Services Department will use seniority, attendance, and
21 documented job performance (from sources such as evaluations, warnings, and
22 reprimands) not older than one (1) year from the assignment selection date to
23 determine employee eligibility for being offered an additional assignment for the
24 Summer Meal Program.

1 B. Classified Bargaining Unit Members who have been absent more than ten
2 (10) days by May 1st during the school year for which the additional assignment
3 selection is being made will be considered to have poor attendance for the purposes of
4 additional assignment selection for the Summer Meal Program. Classified Bargaining
5 Unit Members who have failed to complete their additional assignment for the previous
6 year's Summer Meal Program, regardless of whether they have been absent more than
7 ten (10) days as specified above, will be considered to have poor attendance for the
8 purposes of additional assignment selection for the Summer Meal Program. Industrial
9 Accident, Jury Duty, Imminent Death, Bereavement, and Vacation leaves will be
10 excluded from the attendance criteria used to determine poor attendance as specified in
11 this section of the Agreement.

12 C. Where possible, Secondary Kitchen Operator additional assignments for
13 the Summer Meal Program will be filled with Secondary Kitchen Operator employees
14 subject to the seniority, attendance, and documented job performance criteria specified
15 above.

16 WORK OUTSIDE OF CLASSIFICATION

17 In circumstances where a Classified Bargaining Unit Member is working
18 temporarily for short periods of time or on a day-to-day basis in a position in a higher job
19 classification other than his/her own with the expectation by the supervisor that the
20 Classified Bargaining Unit Member is fully performing all of the duties required, the rate
21 of pay provided shall be established at the appropriate range and step that would
22 provide the next higher rate of pay than that normally received by the Classified
23 Bargaining Unit Member. For long term assignment opportunities lasting five (5) or
24 more scheduled days, work Outside of Classification shall be offered to Classified

1 Bargaining Unit Members based on a rotation of site seniority. Requests for
2 reclassification shall be addressed using the process outlined under Article 11 entitled
3 New or Changed Job Classification.

4 CHANGES IN POSITION HOURS AND/OR DAYS

5 Should a determination be made by the District that a Classified Bargaining Unit
6 Member's position hours and/or number of work days will be increased, the District shall
7 provide reasonable advance notice to the member. Prior to the effective date of the
8 increase in position hours and/or number of work days, the Classified Bargaining Unit
9 Member may request consideration to delay the effective date of the change.

10 PROCEDURES FOR EMPLOYEE PAYBACKS OF OVERPAYMENT

11 REIMBURSEMENT

12 STEP 1: NOTICE

13 The Payroll Office will notify Classified Bargaining Unit Members immediately or
14 as soon as possible upon recognizing that an error creating a probable overpayment
15 has been identified. Notice will include a statement that the Payroll Office is working to
16 determine the amount of the overpayment and information advising the Classified
17 Bargaining Unit Members who to contact in the Payroll department to discuss the
18 situation. Duplicate copies will be forwarded to United Steelworkers, Local Union 8599,
19 upon request by the affected Classified Bargaining Unit Member(s). Payroll staff will
20 then proceed to make a preliminary determination as to the amount of the overpayment.

21 STEP 2:

22 The standard approach, identified in the CRITERION STANDARD PAYBACK
23 APPROACH section of this article for determining the schedule and amount of
24 repayment per pay period, will be implemented except where the Classified Bargaining

1 Unit Member requests a case-by-case analysis due to hardship. The District shall make
2 every effort to accommodate the Classified Bargaining Unit Member in such cases;
3 however, the District reserves final right to determine repayment schedule.

4 **STEP 3:**

5 Where the implementation of the standard payback approach would create a
6 severe hardship due to such factors as fluctuation in payroll impact on fringe benefits
7 change in the standard work year, reduction in classification or hours, or a major
8 episodic financial hardship, the Payroll Department will work with the Classified
9 Bargaining Unit Member to develop a reasonable repayment plan which will recover the
10 overpayment as soon as possible. If scheduled Payroll Department deadlines prevent
11 the consideration of such hardship before the payroll warrant is processed, the District
12 will make every effort to utilize alternative payment procedures to correct any arrears or
13 ameliorate approved hardships.

14 **CRITERION: STANDARD PAYBACK APPROACH**

15 1. If the amount to be recovered is less than five percent (5%) of net income
16 for the pay period, it may be recovered in one lump sum.

17 2. If the overpayment occurred in less than one year and the amount is more
18 than five percent (5%) of a pay period, it will be recovered by deductions in the number
19 of pay periods equal to the number of pay periods in which the overpayment occurred.

20 3. If the overpayment occurred over a period of more than one year, the
21 recovery will normally be accomplished by equal payments, scheduled to be completed
22 either by the end of the fiscal year or the end of the tax year, whichever is later, unless
23 the amount of the payments deducted would exceed fifteen percent (15%) of net
24 income.

1 4. If approaches “a” and “b” do not fit the circumstances of the amount of the
2 overpayment, a meeting will be held between the Classified Bargaining Unit Member
3 and the District to develop a reasonable recovery plan.

4 Exceptions:

5 a. Notwithstanding the standard payback approaches identified
6 above, the overpayment can be recovered from “back pay” or other payment in arrears
7 (not including current overtime pay). The overpayment will be recovered in one lump
8 sum to avoid creating a new overpayment. This provision will apply except on a case-
9 by-case basis where an approved hardship exists as noted in STEP 3.

10 b. All of the above provisions will be suspended whenever the District
11 terminates a Classified Bargaining Unit Member or receives a letter of resignation or *an
12 approved leave of absence request for six months (6) or more. In such cases, recovery
13 of overpayment will be scheduled for completion by the effective date of the leave of
14 absence, resignation, or termination.

15 *[Specific exceptions to the above are leaves under the provisions of California
16 Family Rights Act, Family Medical Leave Act, Industrial Accident (USW Article 28), and
17 Military Leave (USW Article 26)].

18 It is the responsibility of each Classified Bargaining Unit Member to review their
19 pay warrant for any apparent errors and report such as soon as possible to the Payroll
20 Department.

21 SUMMER SCHOOL

22 Summer School is a District-wide program designed to provide students with an
23 opportunity for credit recovery and general instruction and, therefore, it is not targeted
24 instruction/intervention. It is agreed and understood between the Fontana Unified

1 School District and the United Steelworkers that the following guidelines will be used
2 when hiring Summer School personnel:

3 1. Only Classified Bargaining Unit Members able to meet Summer School
4 timelines (dates of Summer School) without conflicting/overlapping hours or dates of
5 regular work schedules may apply for Summer School positions.

6 Summer School positions will be posted District-wide for information purposes
7 only. Except as noted in subsections #2 and #3 below, Classified Bargaining Unit
8 Members will be considered for Summer School positions based on District seniority in
9 the following priority sequence:

10 a. The highest priority will be given for Classified Bargaining Unit
11 Members in the same job classification;

12 b. The next priority will be given for Classified Bargaining Unit
13 Members in the same job class family;

14 c. The next priority will be given for Classified Bargaining Unit
15 Members in a different job class family;

16 d. Finally, applicants not part of the Classified Bargaining Unit shall
17 only be considered after all qualified Classified Bargaining Unit applicants have been
18 placed.

19 2. In order to maintain continuity and availability to the Summer School
20 program, Classified Bargaining Unit Members at the site where Summer School will be
21 held will be given preferential consideration for the Intermediate Clerk Typist position for
22 Summer School. Selection will be made based on District Seniority in the priority
23 sequence listed above, items b-d only.

24 3. The most senior District Safety Officer Classified Bargaining Unit

Members at the site where Summer School will be held will be given preferential consideration for the District Safety Officer positions for Summer School. Selection will be made based on District Seniority. After most senior District Safety Officer Classified Bargaining Unit Members have been placed, selection for remaining positions will be made based on District Seniority and the priority sequence listed above, items a and d only.

TRANSPORTATION DEPARTMENT

Time allocation for daily pre-trip inspection will be twenty (20) minutes, and time allocation for sweeping and cleaning/closing the bus at the end of the workday will be ten (10) minutes. The District and the Union agree to continue the current payroll practice of rounding-up to fifteen (15) minute increments.

SENIORITY ROTATION – ADDITIONAL ASSIGNMENTS

1. The parties agree to establish and use one seniority rotation list for Classified Bargaining Unit Member additional bus driver assignments.

2. The parties agree that probationary employees will be contacted for Classified Bargaining Unit Member additional bus driver assignments only after all senior bus drivers have been contacted. Probationary bus drivers will be used on an emergency basis only.

DRIVER HOURS

In lieu of temporary employees used in the Transportation Department, the following procedures are proposed:

1. Any Classified Bargaining Unit Member off more than ten (10) consecutive working days beginning on the eleventh (11) day may have their hours assigned temporarily to a lesser hour driver at the discretion of the Supervisor of Transportation

1 by availability and seniority. Beginning on the eleventh (11) day, an appropriate
2 adjustment will be made in fringe benefits.

3 2. Supervisor of Transportation will offer assignment to the next available
4 Classified Bargaining Unit Member in line until the greater hour position is filled.

5 3. Only one (1) change of permanent drivers will be offered for each
6 Classified Bargaining Unit Member off a minimum of ten (10) or more consecutive
7 working days.

8 4. In the case of routes with late runs, employees not exceeding eight (8)
9 hours with the change may take only the late run.

10 VOLUNTARY MAINTENANCE TRAINEE PROGRAM

11 The undersigned parties agree to establish a voluntary program for testing,
12 evaluating, and developing the skills of interested participants on the following basis:

13 1. Each participating Classified Bargaining Unit Member agrees to serve as a
14 helper or in semi-skilled tasks in any department within the maintenance division, as
15 assigned by the Director of Maintenance or his designee. Participating Classified
16 Bargaining Unit Members will serve for thirty (30)-day terms, not to exceed three (3)
17 such terms in any twelve (12)-month period. This provision shall not supplant the
18 regular practice of a temporary change in assignment with compensation adjustment
19 due to departmental vacations or sick leave coverage. This provision is intended to
20 allow temporary increases in work force for peak load or special needs projects.

21 2. Participation in the program is voluntary, but it will be understood that
22 during participation in the program, employees will accept all temporary assignments in
23 the department(s) for which the employee has enrolled in the program, as directed, or
24 they will be released from the program. Persons on authorized leave will not be

1 released from the program but will be excused from participation for the term of their
2 authorized leave.

3 3. While serving in the first thirty (30)-day term, employees will be paid at the
4 Maintenance Trainee or their regular rate of pay, including any applicable shift
5 differential, whichever is greater.

6 In subsequent thirty-(30) day terms, employees will be paid at the next higher
7 step or range or their regular rate of pay, including applicable shift differential,
8 whichever is higher.

9 4. Individuals successfully completing three (3) of these voluntary thirty (30)-
10 day terms shall be considered to have attained the necessary experience in the
11 Maintenance trades for purposes of consideration for subsequent permanent job
12 postings.

13 5. No probationary employee may participate in this program.

14 SHADOWING IN THE FOOD SERVICES DEPARTMENT

15 Food Services employees wishing to “shadow” another Food Services employee
16 to gain knowledge and understanding in a position within the Food Services Department
17 can do so if the following conditions are met. For the purpose of this Article, the term
18 “shadow” or “shadowing” shall be defined as the voluntary activity wherein an employee
19 follows and observes another employee to learn about the position.

20 1. The Director of Food Services agrees in writing to allow the employee to
21 shadow. The employee must have a shadowing schedule approved by the Director of
22 Food Services prior to the start of any shadowing. The Food Services Department will
23 then make arrangements with the site Food Services Operator and Coordinator for the
24 employee to begin their shadowing.

1 2. The employee wishing to shadow shall hereby acknowledge that the
2 activity is strictly voluntary and done on the employee's own time, of the employee's
3 own free will.

4 3. The employee acknowledges that there will be no compensation of any
5 kind for time spent shadowing as it is a free and voluntary activity that is requested by
6 the employee and accommodated by the District.

7 4. Shadowing cannot be done during an employee's normal work shift
8 without prior approval by the Director of Food Services.

9 5. Employee understands that shadowing does not guarantee a position or
10 promotion.

ARTICLE 13

OVERTIME

No Bargaining Unit Member shall be authorized to work overtime unless they have received express advance permission from their immediate supervisor or designee. Overtime claims shall be submitted monthly.

Overtime at the rate of one and one-half (1-1/2) times the regular rate shall be paid after eight (8) hours in any one (1) day or after forty (40) hours in any one (1) work week. This provision does not apply to Bargaining Unit Members who are on a modified workweek such as a 4/10, 9/80, or 3/12 plan except to the extent their workday exceeds the regularly assigned hours per day [e.g., Bargaining Unit Members working a 4/10 workweek shall receive overtime only after ten (10) hours worked per day].

When a Bargaining Unit Member works on a Board-approved holiday, the Classified Bargaining Unit Member shall receive one and one-half (1-1/2) times the regular rate of pay plus the regular holiday pay rate.

Those Bargaining Unit Members who commence a work schedule or shift at 10:00 p.m. and work until 6:30 a.m. into the holiday period are to be paid the holiday premium.

Those Bargaining Unit Members who commence a work schedule or shift at 10:00 p.m. on a holiday and work until 6:30 a.m. the following day will be paid at straight time pay rates.

CLASSIFIED BARGAINING UNIT MEMBERS

For overtime service rendered by the Classified Bargaining Unit Member, with the approval of the supervisor, compensatory time off may be chosen in lieu of actual payment.

1 Compensatory time may be taken by Classified Bargaining Unit Members as time
2 off in units of one-half (1/2) hour or more increments with the approval of a supervisor
3 within the department.

4 When a Classified Bargaining Unit Member is required to render service on a
5 non-workday or, if recalled to work on the same day he/she has previously completed a
6 work assignment of eight (8) hours in duration, the Classified Bargaining Unit Member
7 shall be compensated for a minimum of two (2) hours, but not for less than the actual
8 number of hours worked.

9 The District will develop procedures for the equitable distribution of overtime
10 within departments or site work groups provided that:

11 1. Classified Bargaining Unit Member must be in the same job classification
12 and work group.

13 2. A rotational list shall be established based on seniority within a
14 department, site or work group to which the Classified Bargaining Unit Member is
15 assigned.

16 3. Overtime shall be assigned by the rotation list indicated in item 2 above
17 except when specific skills, efficiency, confidentiality or specific project completion
18 require overtime assignment out of rotation.

19 4. Classified Bargaining Unit Member shall have the right to either accept or
20 decline voluntary overtime in rotational order.

21 5. If a Classified Bargaining Unit Member declines voluntary overtime when
22 offered on a rotational basis, the Classified Bargaining Unit Member shall have been
23 determined to waive access to overtime equalization for that incident.

24 6. The District will agree to consult with the Union on concerns or procedures

1 prior to the implementation of overtime equalization in any department or site. The
2 District reserves final right to implement overtime equalization or procedures after such
3 consultation with the union.

4 Temporary Extra Assignments

5 Temporary extra assignments are defined as extra hours within an employee's
6 same workday which may be assigned by the supervisor to the employee to perform
7 work over and above the normal daily workload. The District will offer available
8 temporary extra assignments to intra-work area qualified employees on a rotational
9 seniority basis.

10 Only Classified Bargaining Unit Members able to perform the work without
11 conflicting/overlapping hours of regular work may be considered to serve in temporary
12 extra assignments, provided that the assignments will not put employees into an
13 overtime status, substitute work or additional assignment.

14 Compensatory Time

15 Qualified, intra-work area Classified Bargaining Unit Members will be given fair
16 consideration for compensatory time on a rotational seniority basis subject to the same
17 overtime rules in 1 - 6 above and pursuant to the following provisions:

18 1. At the discretion of the department supervisor and at the request of the
19 Classified Bargaining Unit Member, compensatory time may be provided in lieu of
20 overtime at the rate of 1½ times the regular rate for service beyond eight (8) hours per
21 day or beyond forty (40) hours per week. Classified Bargaining Unit Members who work
22 a modified workweek shall be exempted from this provision except where the work
23 exceeds the normal hours of their work day or work week [e.g., Classified Bargaining
24 Unit Members who work a 4/10 workweek shall receive compensatory time after ten

1 (10) hours per day or forty (40) hours per week].

2 2. Utilization of compensatory time shall not be disruptive to the overall
3 efficient operation of the various departments. The Classified Bargaining Union
4 member shall request to utilize accrued compensatory time which shall be scheduled at
5 the discretion of the District, and as nearly as possible, at the convenience of the
6 Classified Bargaining Unit Member.

7 Compensatory time shall be taken within one (1) year after the period of overtime
8 services rendered and will not be eligible for a monetary payment (“cashing out”) in lieu
9 thereof. The District shall not unreasonably deny the usage of compensatory time to
10 the detriment of the Classified Bargaining Unit Member.

11 Bilingual Translation/Extra Duty Assignment

12 This program will be evaluated on an annual basis.

13 1. Authorization for extra duty assignment for bilingual translation/oral
14 translation services will be permitted for full-time (8-hour) employees who are required
15 to perform oral translation services to facilitate two-way communication processes in
16 meetings involving two (2) or more persons (e.g., principal, teacher and parents), when
17 such duties are not identified in their existing job description. Please note that bilingual
18 translation to facilitate communication in meetings is specifically distinguished from the
19 simple giving of information in a foreign language in a context in which the duty
20 performed has not changed but is simply being performed through the use of a foreign
21 language, and the duty performed is identified in the existing job description.

22 2. After asking for volunteers from among full-time Classified Bargaining Unit
23 Members at the sites, Classified Bargaining Unit Members will be nominated for the
24 bilingual translation extra-duty assignment authorization by the principal or department

1 head on the basis of the following criterion: 1) level of need for unscheduled translation
2 services; 2) feasibility of assignment of these duties given consideration of employee's
3 availability and other duties; 3) principal's informal assessment of language fluency;
4 and 4) the employee is willing to accept this assignment.

5 3. Before recommending authorization of the extra-duty assignment to the
6 Board of Education, Classified Bargaining Unit Members will be required to successfully
7 complete a performance assessment of oral translation skills administered by the
8 Human Resources Office.

9 4. Full-time Classified Bargaining Unit Members who are authorized for the
10 extra duty assignment of oral translator will keep a translation timesheet log identifying
11 hours expended translating in meetings to facilitate two-way communication. Whenever
12 a Classified Bargaining Unit Member is required to provide translation under the terms
13 of this agreement, the Classified Bargaining Unit Member will be compensated for a
14 minimum of one (1) hour of translation services per incident. Therefore, the minimum
15 time recorded on the timesheet will be one (1) hour. However, in no event shall anyone
16 be paid for more than one (1) incident per hour nor more than eight (8) hours per day.

17 5. All hours identified on the timesheet will be compensated at a rate of six
18 dollars (\$6.00) per hour bonus payment (in addition to the Classified Bargaining Unit
19 Member's regular hourly rate).

20 6. The District will reserve the right to limit the number of persons allocated
21 to a site or department who may be authorized for this extra-duty assignment in
22 accordance with this Article.

23 Bilingual Language Usage Pay

24 When a Classified Bargaining Unit Member with less than eight (8) hours per day

1 is utilized for their second language capabilities in a two (2)-way oral communication
2 meeting and is not given an opportunity to make-up his/her time, he/she shall be
3 compensated at an additional rate of six dollars (\$6.00) per hour bonus payment (in
4 addition to the Classified Bargaining Unit Member's regular hourly rate), provided that
5 such performance is not a duty identified in their current job description.

ARTICLE 14

PROBATIONARY PERIOD

NEW HIRES

Classified Bargaining Unit Members shall be on probation during the first six (6) months of paid service or one hundred thirty (130) work days of paid service, whichever is longer.

During this period, the probationary employee may be discharged without assigning any cause, therefore; and said discharge is specifically excluded from the Grievance Procedure. No seniority is acquired during the probationary period. Upon receiving permanency in a position, seniority shall revert to the date of hire.

SALARY SCHEDULE ADVANCEMENT

Classified Bargaining Unit Members that successfully pass probation between the 1st and the 15th of the month shall advance to Step 2 on the 16th day of the month.

Classified Bargaining Unit Members that successfully pass probation between the 16th and the last day of the month shall advance to Step 2 on the 1st day of the following month.

Classified Bargaining Unit Members shall advance to Steps 3, 4, and 5 one year after attaining the previous step.

PROMOTIONAL ADVANCEMENT

Classified Bargaining Unit Members who have achieved permanency with the District and who then subsequently promote to a different job classification will be placed on probation for ninety (90) days of paid service if the promotion is to a related job classification (ex. Clerk Typist to Secretary). At the District's option, the probationary period may be extended for thirty (30) additional days of paid service, provided the

1 extension of the probationary period is not as a result of the evaluator's failure to
2 evaluate in a timely manner.

3 Members who promote to an unrelated job classification will be placed on
4 probation for ninety (90) days of paid service (ex. District Safety Officer to Technology)
5 and may be subject to an additional probation period of forty (40) days of paid service at
6 the District's option, provided the extension of the probationary period is not a result of
7 the evaluator's failure to evaluate in a timely manner.

8 If the District exercises the option to extend a Classified Bargaining Unit
9 Member's probation, and the member consents to disclosure to the Union, then the
10 District shall provide notice to the Union of the extension.

11 All Classified Bargaining Unit Members with an extended probationary period
12 shall remain on their current step and, if awarded permanency, move to the next step
13 after probation, unless the Unit Member is already on the maximum step.

14 A permanent Classified Bargaining Unit Member who promotes and fails to
15 complete probationary service for the promotional position shall be returned to the same
16 Classified Bargaining Unit job classification which he or she previously achieved
17 permanency pursuant to Education Code § 45113.

ARTICLE 15

SUSPENSION/DISCHARGE CASES

The District recognizes that an effort shall be made to remediate any unsatisfactory job performance by all Bargaining Unit Members prior to taking any "disciplinary action". "Disciplinary action" for Classified Bargaining Unit Members shall be defined as suspension without pay, demotion, reduction of pay step in class or dismissal. The District will make all Bargaining Unit Members aware of employment standards, as well as the consequences for non-compliance with the standards, prior to corrective or disciplinary steps. This shall include, but not be limited to, new employee orientation, in-service. and/or hands-on training. In cases where a Classified Bargaining Unit Member's job performance becomes unsatisfactory due to alcohol/chemical use or dependency, the District shall provide an opportunity for the Classified Bargaining Unit Member to participate in an alcohol/chemical dependency remediation program if the District determines in its sole discretion that the Classified Bargaining Unit Member's conduct does not warrant or require dismissal. This shall not in any way limit the District's right to implement lesser forms of discipline along with participating in this remediation program. This recognition of progressive discipline, however, shall not preclude the District from seeking immediate dismissal of Classified Bargaining Unit Members for serious misconduct, which might include, but not be limited to, recklessness, gross negligence, willful misconduct, and other misconduct which might cause physical/emotional harm to others and/or loss of property/money.

In the event that a Classified Bargaining Unit Member is alleged to have acted in such a manner as to warrant a "disciplinary action", he/she shall be furnished with a copy of the reason(s) for the action as set forth in District Administrative Regulation. At

1 the Classified Bargaining Unit Member's election, the Union shall be notified in writing
2 within five (5) working days whenever a Classified Bargaining Unit Member is charged
3 with misconduct that might result in "disciplinary action".

4 Except as otherwise set forth in this Article, the causes and procedures regarding
5 personnel action for cause ("Just Cause") set forth in District Administrative Regulation
6 §4218 et.al. shall apply to all Classified Bargaining Unit Member "disciplinary actions".

7 Hourly Bargaining Unit Members

8 The District recognizes that an effort shall be made to remediate any
9 unsatisfactory job performance for hourly Bargaining Unit Members prior to taking any
10 action to release from employment. Remediation will include, but not be limited to,
11 clarifying or reinforcing expectations and may include coaching and written notice.

12 The District will make hourly Bargaining Unit Members aware of employment
13 standards as well as the consequences for non-compliance with the standards prior to
14 to corrective or disciplinary action. Disciplinary action for hourly Bargaining Unit
15 Members is defined as release from employment.

ARTICLE 16

GRIEVANCE PROCEDURE

DEFINITIONS

Grievance

A grievance is an allegation by a Bargaining Unit Member, or Members, that he/she/they have been adversely affected by an alleged misinterpretation, misapplication or violation of the Agreement by the District. Actions to challenge or change the policies, regulations or other matters outside of this Agreement are not within the scope of this procedure and review must be taken under separate processes.

Day

A day shall be defined as Monday through Friday excluding paid holidays and defined non-work days.

Immediate Supervisor

The immediate supervisor is the lowest level manager having immediate jurisdiction over the grievant.

Time Limits

The time limits contained herein are considered maximum limits; however, time limits may be extended by mutual written agreement. In the event the grievant fails to meet a time limit, the grievance shall be deemed to have been waived.

In the event the District fails to meet a time limit, such failure shall automatically move the grievance to the next step of the grievance procedure.

GRIEVANCE STEPS

Informal Level

Before filing a formal written grievance, the Grievant and the Grievant

Representative shall attempt to resolve the alleged grievance through an informal conference with the Grievant's immediate supervisor. It is the responsibility of the Grievant and/or the Grievant Representative to inform the immediate supervisor that the conference is for the purpose of seeking to resolve the grievance at the informal level.

Step I – Immediate Supervisor

No later than twenty (20) days following the act or omission giving rise to the grievance, or no later than twenty (20) days following the date upon which the Bargaining Unit Member reasonably should have known of the act or omission, the Grievant Representative must present such grievance in writing on an appropriate form to the immediate supervisor.

The written grievance shall contain a clear statement of the circumstances giving rise to the grievance, citation of the specific articles(s) alleged to have been violated, and the remedy sought.

The immediate supervisor shall communicate a written decision to the Bargaining Unit Member and the Grievant Representative within ten (10) days after receiving the grievance. Such written decision shall contain an explanation of the decision rendered.

Within the above time limits, either party may request a personal conference with the other party.

If the Grievant is not satisfied with the disposition of the grievance at this step, an appeal to the next step must be made in writing to the appropriate personnel within ten (10) days after the decision is delivered to the Grievant Representative. The appeal must attach the grievance and contain a statement of the specific article(s) and language alleged to have been violated, the remedy sought, and the reason for the

1 appeal. Failure to appeal within this time period shall serve as a waiver of all appeal
2 rights and the decision at this step shall be final and binding.

3 Step II – Superintendent or Designee

4 The Superintendent, or Designee, shall consider the grievance, render a decision
5 within ten (10) days after receiving the grievance, and communicate a decision to the
6 Grievant with a copy of the decision to the Grievant's Representative. Such written
7 decision shall contain an explanation of the District's position regarding the Grievance.
8 Either the Grievant Representative or the Superintendent/Designee, may request a
9 personal conference with the Grievant and Grievant Representative to discuss the
10 grievance within the above time limits. If the Superintendent/Designee, does not
11 respond within the above time limits, the grievance shall automatically proceed to the next
12 step.

13 If the Grievant Representative is not satisfied with the disposition of the
14 grievance at this step, an appeal to the next step must be made in writing to the
15 appropriate personnel within ten (10) days after the decision is delivered to the Grievant
16 Representative. The appeal must attach the grievance and contain a statement of the
17 specific article(s) and language alleged to have been violated the remedy sought, and
18 the reason for the appeal. Failure to appeal within this time period shall serve as a
19 waiver of all appeal rights and the decision at this step shall be final and binding.

20 Step III - Mediator

21 If the Grievant Representative is not satisfied with the disposition of the
22 grievance at Step II, or if no written decision has been rendered within the applicable
23 time limits, the Grievant Representative may, within ten (10) days after a written
24 decision is rendered or should have been rendered, by written notice to the

2 The parties shall use a mediator from the State Mediation and Conciliation Services
3 (SMCS).

4 If resolution is reached, parties to the grievance shall sign a written agreement
5 stating the resolution and consider the grievance resolved.

6 If resolution is not reached with the mediator within thirty (30) calendar days after
7 the request for mediation services from the SMCS, the Grievant Representative may
8 move the grievance to Step IV. The parties may, by mutual written agreement, extend
9 the thirty (30) days deadline to exceed sixty 60 days.

10 If the Grievant Representative is not satisfied with the disposition of the
11 grievance at this step, an appeal to the next step must be made in writing to the
12 appropriate personnel within ten (10) days after the mediation date. Failure to appeal
13 within this time period shall serve as a waiver of all appeal rights and the decision at this
14 step shall be final and binding.

15 Step IV – Board of Education

16 If the Grievant Representative is not satisfied with the disposition of the
17 grievance at Step III, the Grievant Representative may, within ten (10) days after the
18 mediation date, submit written notice to the Executive Director of Classified Human
19 Resources. The Board shall consider the grievance after submission of the appeal to
20 Step IV in an informal, in person hearing during Closed Executive Session at the next
21 regularly scheduled Board Meeting. The Board shall render a decision of the grievance
22 based upon a review of the verbal and written documents developed in Steps I, and II,
23 and III of the Grievance Procedure at the next regularly scheduled Special Board
24 Meeting or regularly scheduled Board Meeting, whichever comes first.

1 If the Grievant Representative is not satisfied with the disposition of the
2 grievance at this step, an appeal to the next step must be made in writing to the
3 appropriate personnel within ten (10) days after the decision is delivered to the Grievant
4 Representative. Failure to appeal within this time period shall serve as a waiver of all
5 appeal rights and the decision at this step shall be final and binding.

6 Step V - Arbitrator

7 If the Grievant Representative is not satisfied with the disposition of the
8 grievance at Step IV, or if no written decision has been rendered within the applicable
9 time limits, the International Union may, within ten (10) days after a written decision is
10 rendered or should have been rendered by written notice to the Superintendent, elect to
11 submit the grievance to arbitration. In the event the parties are unable to mutually
12 agree upon an arbitrator, they shall request a panel of nine (9) names be submitted to
13 both parties from the California State Conciliation Service.

14 Upon receipt of the list of names, the parties shall alternately delete names from
15 the list until only one (1) remains. The last named shall be selected as the arbitrator.
16 The order of deleting names shall be determined by flipping a coin.

17 The arbitrator's decision shall be in writing and shall set forth their findings of fact,
18 reasoning, conclusions, and decisions. The arbitrator's authority shall be limited to
19 deciding the issues submitted by the parties; and the arbitrator shall have no power or
20 authority to add to, subtract from, alter, delete, amend or modify the terms of the
21 Agreement. Should the arbitrator determine that time limits are exceeded, the arbitrator
22 shall not have the authority to hear the grievance(s) without mutual agreement of the
23 parties.

24 All costs for the services of the arbitrator, including but not limited to, per diem

1 expenses, travel and subsistence expenses, court reporters, transcript, and the cost of
2 any hearing room, will be borne equally by the District and the Union. All other costs
3 will be borne by the party incurring them.

4 The decision of the arbitrator shall be final and binding upon the parties. After a
5 hearing and after both parties have had an opportunity to present written arguments, the

6 communications, and records dealing with the processing of a grievance.

LEAVES OF ABSENCE

GENERAL PROVISIONS

The Board of Education may grant leaves of absence to Classified Bargaining Unit Members.

An express authorization or requirement for a leave of absence does not deprive the Board of Education of the power to grant such leaves with or without pay to such employees for other purposes, pursuant to Education Code (so long as the Board does not deprive any employee of any leave of absence).

ARTICLE 19

ILLNESS AND INJURY (SICK LEAVE)

Sick leave of absence with pay is granted to school employees to protect the health and welfare of both employees and pupils. All employees are encouraged to use sick leave as warranted to enable them to regain and remain in good health. Sick leave may be used in quarter-hour increments. Prescribed purposes of sick leave under this Article are for the diagnosis, care or treatment of an existing health condition or preventative care of the employee.

Classified Bargaining Unit Members employed five (5) days a week and twelve (12) months per year shall be entitled to twelve (12) days leave for illness or injury with full pay for a fiscal year of service. Such leave shall be exclusive of all days he/she is not required to render service to the District. For purposes of this clause, each sick day is equivalent to eight (8) hours and the yearly allowance would be ninety-six (96) hours. Classified Bargaining Unit Members who work a modified workweek would receive the same amount of sick leave per year as employees on a regular five (5) day work week.

A Classified Bargaining Unit Member employed five (5) days a week who is employed for less than a full fiscal year is entitled to that portion of twelve (12) days leave proportional to the number of months employed to twelve (12).

New Classified Bargaining Unit Members of the District accrue sick leave from the 1st of the month in which employed, providing their employment commences on or before the 15th. If employment commences on or after the 16th of the month, sick leave is accrued from the 1st of the following month. If an employee terminates his/her service with the District after the 15th day of the month, he/she shall be entitled to full sick leave credit for that month. However, if an employee terminates his/her service

1 prior to the 16th day of the month, he/she shall receive no credit for that month.
2 Employees in a non-pay status for a fractional period of a month accrue sick leave for
3 the entire month when in a pay status for ten (10) or more working days in that month.
4 An employee who serves less than ten (10) working days receives no sick leave credit
5 for that month.

6 Classified Bargaining Unit Members employed less than five (5) days per week
7 and/or less than eight (8) hours per day shall be entitled, for a fiscal year of service, to
8 that portion of twelve (12) days leave proportional to the number of days employed per
9 week to five (5) and/or proportional to the number of hours per day to eight (8).

10 Sick leave need not be accrued prior to taking such leave by the Classified
11 Bargaining Unit Member and such leave of absence may be taken at any time during
12 the year. However, a new Classified Bargaining Unit Member of the District shall not
13 be eligible to take more than six (6) days or the proportionate amount to which he/she
14 may be entitled, until the 1st day of the calendar month after completion of six (6)
15 months of active service with the District.

16 Unused sick leave shall accumulate from year to year. Verification of illness may
17 be required by the District from any absence for which sick leave is claimed.

18 **EXCESSIVE ABSENTEEISM OR PATTERNED ABSENCES**

19 Any unused sick leave credit may be used by the Classified Bargaining Unit
20 Member for sick leave purposes without loss of compensation. Sick leave is defined as
21 accrued increments of compensated leave for the following absences: illness, injury or
22 medical condition of the Classified Bargaining Unit Member (either physical or mental).

23 This includes but is not limited to, obtaining professional diagnosis or treatment
24 of medical condition or other medical reason such as pregnancy or obtaining a physical

1 exam.

2 Classified Bargaining Unit Members displaying excessive absenteeism or
3 tardiness will be counseled by their immediate supervisor prior to imposing discipline.

4 The administration, subject to the approval of the Board of Education, shall
5 prescribe rules and regulations indicating the manner of proof of illness or injury.
6 However, regulations shall not discriminate against treatment and the need thereof by
7 the practice of the religion of any well-organized religious sect, denomination or
8 organization.

9 FAMILY ILLNESS LEAVE

10 If an illness of the Classified Bargaining Unit Member's family requires the
11 member to be absent, the member may use up to the amount of sick leave that would
12 be accrued during a six (6) month period from their sick leave bank. Sick leave may be
13 used in quarter-hour increments. Prescribed purposes of sick leave under this Article
14 are for the diagnosis, care or treatment of an existing health condition or preventative
15 care for the employee's family member. (Labor Code §233). For the purposes of this
16 clause, a family member is defined as:

- 17 (a) Child (regardless of age or dependency status and including those for whom the
18 employee acts in loco parentis)

5 A regular Classified Bargaining Unit Member shall once a year be credited with a
6 total of one hundred (100) working days of extended sick leave in conjunction with
7 accumulated full paid sick leave to which he/she is entitled under this article. Such days
8 of extended sick leave (100-day half-pay bank), in addition to accumulated full paid sick
9 leave, shall be compensated at fifty percent (50%) the pay differential of the Classified
10 Bargaining Unit Member's regular salary and shall be counted from the date after all
11 other paid leave entitlement has been exhausted, but shall not be cumulative from year
12 to year. All accumulated sick leave will be utilized prior to commencing the 100-day
13 provisions but earned vacation time may still be held in abeyance for future use by the
14 member.

15 Benefits accrued while on paid sick leave shall be the same as the benefits which
16 would have been accrued had the Classified Bargaining Unit Member worked. Each
17 day of absence claimed under this section must be supported by a physician's written
18 statement that verifies the medical inability of the Classified Bargaining Unit Member to
19 work.

20 It is agreed and understood that Classified Bargaining Unit Members are not
21 required to utilize all their vacation time in conjunction with half-day pay. They may
22 save enough vacation time to cover the mandatory vacation days during the calendar
23 year so as not to be in an unpaid status at those times.

24 TRANSFER OF ACCUMULATED SICK LEAVE

1 A classified employee of any school district who has been an employee of that
2 district for at least one (1) calendar year, and who terminates such employment for the
3 sole purpose of accepting a position in another district and who subsequently accepts
4 within thirty (30) days of termination may, if agreed by the employing district, transfer all
5 or any part of the accumulated sick leave and other benefits to which he/she may be
6 entitled.

7 No Governing Board shall adopt any policy or rule, written or unwritten, which
8 requires classified employees transferring to the District to waive any part or all benefits
9 which they may be entitled to have transferred.

10 UTILIZATION OF SICK LEAVE DURING PERIODS OF VACATION

11 Personal illness or injury occurring during a scheduled vacation may be charged
12 to sick leave provided medical substantiation of illness is furnished by the Classified
13 Bargaining Unit Member. An absence due to personal illness or injury that occurs prior
14 to and extends into a scheduled vacation may be charged to sick leave.

15 CATASTROPHIC LEAVE BANK

16 The Fontana Unified School District and the USW shall establish a Catastrophic
17 Leave Bank (CLB) which will be in compliance with Education Code § 44043.5.

18 1. Classified Bargaining Unit Members who suffer a catastrophic
19 injury/illness that is expected to incapacitate the member for an extended period of time
20 [in excess of ten (10) days] shall become eligible to use this CLB subject to the
21 restrictions and conditions outlined below:

22 1.1 The Classified Bargaining Unit Member to receive donated sick leave
23 must have exhausted all fully paid (vacation and sick) leave and be in a catastrophic
24 condition which renders work impracticable.

1 1.2 A Classified Bargaining Unit Member who has exhausted all paid leave
2 but still has extended sick leave (100-day half-pay bank) available is eligible for
3 withdrawal from the CLB. Use of the CLB benefit is allowable only as a supplement to
4 such extended sick leave (100-day half-pay bank). The District shall pay the unit
5 member full pay and the CLB shall be charged one-half (1/2) day.

6 1.3 The Classified Bargaining Unit Member must be a permanent, not
7 probationary, employee.

8 2. The use of this CLB shall only be available to those eligible Classified
9 Bargaining Unit Members who have made a donation of at least five (5) days to the CLB

12 Members who had made such a donation shall be eligible to draw from the CLB.

13 3. The donation of sick leave by the Classified Bargaining Unit Member shall
14 be irrevocable. The Classified Bargaining Unit Member shall file a "Classified Sick

20 current accumulations in the Classified Bargaining Unit Member's account does not fall
21 below five (5) days.

22 5. An additional day of contribution will be required of all participants if the
23 number of days in the CLB falls below three hundred (300) days. Classified Bargaining
24 Unit Members who are currently drawing from the CLB at the time of the assessment

1 will not be required to contribute to remain eligible to draw from the CLB. If a participant
2 has ten (10) or less days of remaining sick leave at the time of the assessment, they
3 need not contribute the additional day to remain a participant in the CLB.

4 6. Leave from the CLB may not be used for illness or disability that qualifies
5 the Classified Bargaining Unit Member for Workers' Compensation benefits unless
6 he/she has exhausted all Workers' Compensation leave and his/her own paid leave.

7 7. When the Classified Bargaining Unit Member may reasonably be
8 presumed to be eligible for disability retirement under PERS/STRS or, if applicable,
9 Social Security, he/she may be requested to apply for such retirement. Failure of the
10 Classified Bargaining Unit Member to submit a complete application, including medical
11 information provided by the applicant's physician within twenty (20) work days, will
12 disqualify the Classified Bargaining Unit Member from further CLB payments.

13 8. Following initial enrollment, Classified Bargaining Unit Members may join
14 the CLB during the annual open enrollment period and the District will provide an
15 additional enrollment period approximately six (6) months from the annual open
16 enrollment period to facilitate enrollment in the CLB.

17 9. Upon acceptance of the retiree's irrevocable resignation/retirement form to
18 Human Resources, the retiring employee may elect to donate all or a portion of their
19 accrued unused sick leave to the catastrophic leave bank, regardless of whether they
20 have initially enrolled in CLB. Cancellation of membership in the CLB occurs
21 automatically whenever a Classified Bargaining Unit Member fails to make his/her
22 assessment contribution under Section 5. The Classified Bargaining Unit Member shall
23 not be eligible to draw from the CLB as of the effective date of cancellation. Sick leave
24 previously authorized for contribution to the CLB shall not be returned if the Classified

1 Bargaining Unit Member effects cancellation.

2 10. A Classified Bargaining Unit Member wishing to use this CLB shall submit
3 a "Classified Sick Leave Bank Request for Withdrawal Form." This form shall be
4 submitted to the USW Local 8599 office. The request shall clearly state the details of
5 the catastrophe and the amount of sick leave requested. Appropriate written verification
6 of the catastrophic illness or injury must be included with the request. The Classified

12 may be appealed to the USW Executive Board for final action and decision. The
13 timelines for filing an appeal shall be twenty (20) working days following receipt of the
14 decision of the Committee.

16 Classified Bargaining Unit Member for a single catastrophic injury/illness shall not
17 exceed fifty (50) full days, to be used to supplement the differential leave, not to exceed
18 one hundred (100) days. A Classified Bargaining Unit Member may request a specific
19 number of days on a "Classified Sick Leave Bank Request for Withdrawal Form"
20 obtainable at the USW Local 8599 office.

21 12. Any days approved above that are unused by the Classified Bargaining
22 Unit Member shall be returned to the CLB.

23 13. If a Classified Bargaining Unit Member uses a day from the CLB, pay for
24 that day shall be the same rate the Classified Bargaining Unit Member would have

received had the Classified Bargaining Unit Member worked that day. No distinction shall be made as to the differing pay rates of the donors or recipients.

14. During September of each year, the Payroll Office shall provide the USW a statement outlining the number of days available in the CLB as of September 1 of that year and the number of days used in the previous fiscal year.

HOLD HARMLESS

The USW agrees that it will not file, on its own behalf or on behalf of any Classified Bargaining Unit Member, any grievance, claim or lawsuit of any kind related to any attempt by a Classified Bargaining Unit Member to retrieve donated sick leave used by another unit member pursuant to this provision. The USW also agrees that it will not file, on its own behalf or on behalf of any Classified Bargaining Unit Member, any grievance, claim or lawsuit of any kind which attempts to challenge, in any way, the legality or enforcement of this provision.

If the CLB is terminated for any reason, the days remaining in the CLB shall be equitably distributed to the then-current members of the CLB.

ARTICLE 28

INDUSTRIAL ACCIDENT OR ILLNESS LEAVE

Eligibility

It is the legal obligation of the Board of Education to adopt rules and regulations for industrial accident or illness leave of absence for persons employed in classified positions.

Board policy pertaining to industrial accident or illness leave shall apply to all Classified Bargaining Unit Members of the Fontana Unified School District.

Length

Allowable leave shall be sixty (60) working days in any one (1) fiscal year for each incidence of accident or illness.

When an industrial accident or illness leave overlaps into the next fiscal year, the classified employee shall be entitled to only the amount of unused leave due him/her for the same incidence of accident or illness.

Allowable leave shall not be accumulated from year to year. Industrial accident or illness leave shall commence on the first day of absence.

Such leave shall be reduced by one (1) day for each day of authorized absence, regardless of a temporary disability indemnity award.

Compensation

Any classified employee who is absent because of injury or illness occurring in the course of employment and for which he/she is receiving temporary disability benefits under Workers' Compensation shall not be entitled to receive salary from the District which, when added to temporary benefits, will exceed a full day's salary.

Upon termination of an industrial accident or illness leave, the Classified

1 Bargaining Unit Member shall be entitled to sick leave benefits provided by the District.
2 If the Classified Bargaining Unit Member continues to receive temporary disability
3 indemnity, he/she may elect to take as much of his/her accumulated sick leave which,
4 when added to his/her temporary benefits, will result in a payment to him/her of not
5 more than his/her full salary.

6 The District shall provide the member, prior to the conclusion of the sixty (60) day
7 industrial accident or illness leave entitlement, with a written statement providing the two
8 (2) options that are available regarding temporary disability indemnity benefits after the
9 sixty (60) day industrial accident or illness leave entitlement has been exhausted.
10 Option 1 shall be the utilization of sick leave that, when added to the disability benefits,
11 will result in a full paycheck, and Option 2 would allow a member to receive the disability
12 benefits only.

13 When sick leave is used in conjunction with temporary disability indemnity
14 benefit, it shall be reduced only in that amount necessary to provide a full day's salary
15 when added to such temporary disability indemnity benefits.

16 The Classified Bargaining Unit Member shall be notified by the District as to the
17 extent or amount of sick leave being utilized in conjunction with temporary disability
18 indemnity benefit under Workers' Compensation.

19 When a Classified Bargaining Unit Member utilizes sick leave in conjunction with
20 temporary disability indemnity benefit, he/she shall be paid the difference between the
21 temporary disability indemnity benefits payment and his/her regular salary.

22 In accordance with Option 1 for temporary disability indemnity benefits, a
23 Classified Bargaining Unit Member who elects to utilize accumulated sick leave that
24 when added to the temporary disability indemnity benefit will result in a full paycheck will

1 automatically begin use of his or her extended sick leave (100-day half-pay bank) at
2 whatever point their accumulated sick leave entitlement is exhausted. When either
3 accumulated sick leave or extended sick leave (100-day half-pay bank) provisions are
4 used in conjunction with temporary disability indemnity benefits, they shall be reduced
5 only in that amount to provide a full day's salary when added to the temporary disability
6 indemnity contribution.

7 Any Classified Bargaining Unit Member receiving benefits during periods of
8 industrial accident or illness leave shall physically remain within the State of California
9 unless the Board of Education authorizes travel outside the State.

10 Any absence which is supported by a doctor's off-work order and which is verified
11 as qualifying for Workers' Compensation is an absence payable under industrial illness
12 and accident leave. For special cases that cannot be immediately verified as a bona
13 fide Workers' Compensation claim, the payroll charge will be made to the Classified
14 Bargaining Unit Member's sick leave account.

15 If the claim is subsequently approved, an adjustment will then be made restoring
16 to the Classified Bargaining Unit Member the sick leave previously charged from the
17 first day of absence and a charge made in lieu thereof to industrial illness and accident
18 leave.

19 In the event medical diagnosis or other facts reveal that an injury or illness
20 originally ruled to be of industrial origin was not in fact such, payroll adjustments will be
21 made to the Classified Bargaining Unit Member's sick leave account or any other action
22 as necessary to correct overpayment to employee.

23 When a Classified Bargaining Unit Member receives "wage loss benefit" checks
24 under the Workers' Compensation laws in conjunction with industrial accident or illness

1 leave, sick leave, vacation time, or extended sick leave benefits, the employee shall
2 endorse "wage loss benefit" checks to the District. The District in turn shall issue the
3 employee appropriate pay warrants.

District seniority shall be considered when multiple requests for the same vacation day(s) are submitted at a site or department on the same day.

If a paid holiday occurs during scheduled vacation, the Classified Bargaining Unit Member's accrued vacation leave shall not be docked for that day.

VACATION ACCRUAL

Vacation Leave shall accrue from the date the Classified Bargaining Unit Member first renders probationary service.

Vacations accrued by July 1 shall be taken by the following June 30; however, with the approval of the supervisor, a Classified Bargaining Unit Member who cannot use all vacation days may be permitted to carry-over a maximum of one (1) year's vacation allowance, based on the member's annual accrual.

Every Classified Bargaining Unit Member shall accrue vacation leave with pay at the rate of not less than one (1) working day for each month of service.

Beginning with the fifth year of continuous service, paid vacation time shall accrue at the rate of one and one-fourth (1-1/4) days for each month of service.

Beginning with the eleventh year of continuous service, paid vacation time shall be increased by five (5) days for full-time Classified Bargaining Unit Members. Full-time

Classified Bargaining Unit Members are defined as those working a five (5) day, eight (8) hour position. Classified Bargaining Unit Members working less than full-time are credited the above bonus days in proportion to their hours/months of service.

MAXIMUM VACATION BALANCE

Effective July 1, 2016, once the Classified Bargaining Unit Member's vacation leave balance reaches two (2) years ("vacation maximum amount") of allocated vacation leave, no more vacation may be accrued (earned) until he or she reduces the accumulated vacation balance to below the vacation maximum amount either by vacation cash-out or vacation use. Adjustments to stop and restart vacation accrual will occur once per year, at the beginning of the fiscal year. No earning adjustments will occur during the fiscal year.

The District reserves the right to issue a one-time payout of the excess vacation for Classified Bargaining Unit Members who, effective July 1, 2016, have accrued unused vacation which exceeds the vacation maximum amount. 2 vacation hours which are not available.

3 Classified Bargaining Unit Members who are recalled to work on days designated
4 as Mandatory Vacation Days on their work calendar shall be reimbursed the same
5 amount of vacation hours actually worked. Any hours worked in excess of those
6 designated as Mandatory Vacation shall be paid out at the regular hourly rate of pay for
7 the hours actually worked [e.g. A permanent five (5) hour Classified Bargaining Unit
8 Member is called to work a six (6) hour assignment on a Mandatory Vacation Day. The
9 Classified Bargaining Unit Member in this case would be reimbursed five (5) hours of
10 vacation time to his/her vacation allowance and receive one (1) hour of pay for the
11 additional hour at the additional assignment rate of pay].

12 VACATION CASH-OUT

13 Based on their annual accrual, Classified Bargaining Unit Members may elect to
14 “cash-out” up to seven (7) days of unused, accrued vacation to be paid in the form of
15 salary at the unit member’s regular rate of pay. Vacation allowance that is designated
16 as or scheduled to be used for Mandatory Vacation Days shall not be cashed out.
17 Requests for salary in lieu of unused, accrued vacation shall be submitted by the
18 Classified Bargaining Unit Member to the Payroll Department no earlier than June 1 and
19 no later than June 30.

20 Each year, the District will automatically cash-out up to seven (7) days of excess,
21 unused, accrued vacation for those Classified Bargaining Unit Members whose vacation
22 balances exceed the vacation maximum amount as of June 30. Only unused, accrued
23 vacation that exceeds the vacation maximum amount will be automatically cashed out
24 up to seven (7) days. “Automatically” and “automatic” as specified herein means

1 without requiring the written vacation cash-out request from the Classified Bargaining
2 Unit Member.

3 Should a Classified Bargaining Unit Member, whose excess vacation is
4 automatically being cashed out by the District, submit to Payroll a cash-out request by
5 the deadline, the request will be processed for the difference between seven (7)
6 vacation days and the number of vacation days that have been or will be automatically

10 to participate in a District-sponsored family health and/or dental plan, a District-

12 pursuant to Schedules A and B above.

13 PLAN ADMINISTRATION

15 which are enhanced above that identified in Schedule A of this Article, the District and

18 health plans.

20 rata share through payroll deduction for fringe benefit selections which exceed the
21 benefits provided herein. Should a Classified Bargaining Unit Member's employment

23 ensuing school year, such Classified Bargaining Unit Member shall be entitled to
24 continued coverage under the health, dental, vision, and life plans until October 1 of the

ensuing year. This benefit does not apply to Classified Bargaining Unit Members who retire and receive post-employment benefits per Article 42.

10 employment. Classified Bargaining Unit Members who desire to alter their benefit
11 participation must submit written designation during Open Enrollment thereof to the

13 Bargaining Unit Members to timely designate benefits will disqualify them from eligibility
14 for the month(s) in which the designation was not made on time. Once such
15 designations have been timely submitted, they cannot be changed during the school
16 year.

17 Benefits and conditions of the various programs are to be determined by their

ARTICLE 37

MILEAGE ALLOWANCE

Employees are responsible for getting to and from work each workday. Employees will not be reimbursed for mileage associated with their normal commutes, regardless of the location of their home in relation to their official work location. School District vehicles are to be used for school business only. District employees are required to use School District vehicles when available.

If a District vehicle is not available, a Bargaining Unit Member may use his/her private vehicle for school business subject to prior approval by the site administrator or the Bargaining Unit's employee's supervisor. In such event, the site administrator or supervisor will review the business mileage incurred and submit a request for reimbursement to Business Services. No such request shall be allowed without the signature of the site administrator or supervisor verifying that the vehicle was used for school business. In the event of such verification, the Bargaining Unit Member shall be reimbursed, upon request, at the current IRS business rate adjusted each fiscal year. Under no circumstances shall mileage reimbursement apply to travel between the Bargaining Unit Member's residence and his/her place of work; mileage reimbursement shall be strictly limited to use for authorized school business.

All expenses related to said conference attendance shall be borne by the Classified Bargaining Unit Member or the Union. Union leave benefits provided herein shall not be used for the purpose of preparing for a strike in the Fontana Unified School District or to assist in a concerted activity in any other district which is intended to disrupt the instructional process.

Said leave shall not be granted without at least two (2) working days prior notification to the District, except in cases of emergency, and shall not be unreasonably denied.

The District agrees to allow up to an additional ten (10) days of release time with prior written justification to the Superintendent's Office which will not be unreasonably denied.

ARTICLE 39

CONCLUSIVENESS OF AGREEMENT

During the term of this Agreement, the District and the Union expressly waive and relinquish the right to meet and negotiate and agree that, except by mutual agreement, neither shall be obligated to meet and negotiate with respect to any subject or matter whether referred to or covered in this Agreement or not, even though each subject or matter may not have been within the knowledge or contemplation of either or both the District or the Union at the time they met, negotiated on, and executed this Agreement and even though such subjects or matters were proposed and later withdrawn.

ARTICLE 40

DISTRICT VIDEO CAMERAS AND TIME CLOCKS

District Video Cameras

The purpose of District video cameras is to protect District property, ensure student and employee safety, and further campus security. Their purpose is not to monitor employee performance or to eliminate Bargaining Unit Member positions.

The placement of video cameras will be used in accordance with law and Board Policy. In addition, video cameras shall not be placed in areas where Bargaining Unit Members have a reasonable expectation of privacy. Video footage may be used like any other evidence in cases involving safety concerns, criminal activity, or employee misconduct, but will not solely be relied on for disciplinary action.

Concealed cameras may be placed on District property to provide evidence of possible criminal activity.

Time Clocks

The purpose of time clocks is to ensure the accurate and timely accounting of leave and work time, and to further operational efficiency. Their purpose is not to monitor employee performance or to eliminate Bargaining Unit Member positions. Bargaining Unit Members will not be required to clock out while in paid status. The District may utilize time clocks as appropriate.

In the context of this article, misconduct is defined as deliberate and willful violation of laws, regulations or policies of the District.

ARTICLE 41

TERMINATION DATE

Terms and conditions of this Collective Bargaining Agreement shall continue in effect through June 30, 2027. The District, the Union, or both, can each open up two (2) articles per year. In addition, the Union and the District both reserve the right to request that Article 34 (Salaries and Fringe Benefits) of this Collective Bargaining Agreement be re-opened every year.

Notice to amend or modify the terms and conditions of this Agreement shall be in writing and shall be given no sooner than ninety (90) days prior to July 1st of each year by either of the parties to this Agreement. Following the notice to amend or modify the terms and conditions of this Agreement, the parties shall meet for the purpose of negotiating a new Agreement. It shall be further agreed that during the term of this Agreement, the parties may mutually agree to reopen any Article for further negotiations which may lead to modifications of this Agreement.

Effective date: July 1, 2024; approved by Board of Education: May 29, 2024.

The terms and conditions of this Collective Bargaining Agreement shall be modified in accordance with any new or amended provisions agreed to by the parties during their 2024-2025, 2025-2026, and 2026-2027 re-opening of negotiations.

ARTICLE 42

RETIREMENT HEALTH BENEFIT PROGRAM

The Retirement Health Benefit Chart included within this Article outlines health and welfare benefits available to Classified Bargaining Unit Member retirees based on their retirement effective dates.

For the purposes of this Article, completion of seventy-five percent (75%) of the duty days within a fiscal year shall constitute completion of a year of service. For the purposes of this Article only, paid status shall exclude time elapsed during unpaid leaves of absence for more than thirty (30) work days and breaks in service.

The District's maximum health and welfare benefits allowance to the Classified Bargaining Unit retiree shall be equal to active Classified Bargaining Unit Member health and welfare benefits in accordance with the Amount of Coverage section in the Retirement Health Benefit Chart that is included in this Article.

MARRIED COUPLES BOTH EMPLOYED BY THE DISTRICT

For married couples, both of whom are employed by the District, arrangements may be made at the time of retirement for the health and welfare benefits to be utilized in a consecutive manner rather than concurrently. In this way, the protection to be enjoyed by married Classified Bargaining Unit retirees may be expanded to a maximum of twelve (12) years for full health and welfare benefits or sixteen (16) years for medical benefits only. Under these circumstances wherein Classified Bargaining Unit retirees would seek to defer the activation of benefits for a period of time not to exceed six (6) years (Plan A) or eight (8) years (Plan B), depending on the plan selected due to eligibility under these provisions, the District's responsibility to pay for fringe benefits shall remain at the same dollar amount in effect at the time of retirement. When

benefits are subsequently activated by the Classified Bargaining Unit retiree, the Classified Bargaining Unit retiree would be responsible to pay the difference in the rates from the date of retirement to the commencement of the benefits. Once the Classified Bargaining Unit retiree's participation is commenced, the Classified Bargaining Unit retiree's contribution shall remain constant and any subsequent increases in the costs of the benefit programs would be borne by the District.

LIFETIME MEDICAL BENEFITS

Classified Bargaining Unit Members with a hire date of June 30, 2015 or before and serving the Fontana Unified School District with thirty- three (33) or more years of service will be granted lifetime medical benefits for the Classified Bargaining Unit Member and spouse during the lifetime of the Classified Bargaining Unit Member. Full retirement benefits shall be granted to the surviving spouse of a Classified Bargaining Unit Member who qualified for lifetime benefits under Article 42 until said surviving spouse remarries, or is eligible for Medicare benefits, but under no condition longer than six (6) or eight (8) years depending on the Classified Bargaining Unit retiree's selection at retirement. Notwithstanding the above, the retiring Classified Bargaining Unit Member and spouse will retain eligibility for the 6- or 8-year benefit option selected by the Classified Bargaining Unit retiree.

The Board of Education may, at its sole discretion after consultation with the Union and the District, provide retiree health and welfare benefits provided herein when in its consideration the circumstances of an individual situation warrant such action.

OUT OF AREA RETIREES

A Classified Bargaining Unit retiree may elect to change medical carriers in the event that said Classified Bargaining Unit retiree moves to an area not covered by the

District's current health and welfare program. The District shall only be responsible to pay the current medical rates and any rate increases for which the retired Classified Bargaining Unit Member is eligible pursuant to this Article.

UNION RIGHTS

The Union being the exclusive representative for the purpose of meeting and negotiating shall fairly represent each and every employee in the Classified Bargaining Unit.

The District shall furnish the Union, upon request, information which is necessary, appropriate, and relevant for the Union to fulfill its responsibilities in connection with negotiations, grievance processing, and maintenance of the Collective Bargaining Agreement. Under normal circumstances, such information shall be provided within ten (10) calendar days following the request unless otherwise specified by mutual written agreement.

PRESIDENTIAL RELEASE TIME

The Union President shall be granted 100% release time from his/her regular duties in the District. The District will pay 100% of salary and fringe benefits, including other mandated costs, for release time of the Union President. Upon leaving the office of President, he/she shall be reinstated to his/her former position or, at his/her election, may apply for other positions in the District for which he/she is qualified.

Upon reinstatement, the District shall pay the President the same salary and fringe benefits he/she would otherwise have received without loss of seniority or other rights and benefits. It is agreed and understood that while serving in the capacity as President of the Union, the individual remains a Classified Bargaining Unit Member of the District. On those days that the Union President is on vacation, sick leave, jury duty, bereavement or conference leave, the USW Local 8599 shall be granted up to thirty-five (35) additional days of leave to maintain coverage for the Union President, as

1 necessary. Presidential Coverage is defined narrowly as those times when the
2 Classified Bargaining Unit Member has to step into the President's role to make
3 decisions or act as the President, in relation to those items of business which pertain to
4 the role of President of USW, Local 8599. Examples include signing documents on
5 behalf of the Union in the place of the President, representations at certain meetings
6 where the presence of either the President or Acting President of the Local is required,
7 or specific instances where the President requests that the Classified Bargaining Unit
8 Member step in his/her place to represent the Local as an Acting President. Normal
9 union business the Classified Bargaining Unit Member needs to conduct on behalf of
10 the President, but which are not limited to presidentially exclusive roles such as
11 employee discipline meetings, grievance meetings, Reduction in Force meetings or
12 Union release for other Union business such as conference or Union membership
13 meetings shall not count as Presidential Coverage, but rather debited from those
14 appropriate leave sections, unless the meeting is of such nature that it is strictly within
15 the exclusive purview of the President of the Local. If the Union determines that it
16 needs a Classified Bargaining Unit Member to be released from work to be available at
17 the Union Hall to stand in for the President in his/her absence, then that will be deemed
18 to be Presidential Coverage even if there are no specific duties delineated as such. The
19 above is an illustrative list and by no means exhaustive nor comprehensive as to the
20 situations which may come up. The Union and District agree to act in good faith in
21 interpreting what constitutes Presidential Coverage.

22 Presidential Coverage must be requested in writing to the Superintendent or
23 designee at least three (3) working days in advance, if possible. The Superintendent or
24 designee shall not unreasonably deny such requests.

1 UNION RELEASE TIME

2 The Union shall reimburse the District at the District-incurred substitute employee
3 cost or at the Classified Bargaining Unit Member's daily rate of pay when no substitute
4 is used for each day of leave requested. Any one individual Classified Bargaining Unit
5 Member may use no more than ten (10) of the Presidential Coverage days during a
6 school year.

7 The Union shall be provided with an additional seventy (70) paid working days of
8 release time each fiscal year to be utilized when conducting Union business with each
9 representative using no more than twenty (20) working days of said paid Union leave
10 within each fiscal year. For the purpose of determining the representative's maximum
11 of twenty (20) working days of union release, a day is defined as the number of hours
12 worked in the representative's contract position.

13 The Union shall reimburse the District at the District-incurred substitute employee
14 cost for the first thirty-five (35) days, and the remaining thirty-five (35) days at the
15 Classified Bargaining Unit Member's daily rate of pay, or possible overtime expenses,
16 for each day of Union leave expended and not reimbursed by the California State Board
17 of Control.

18 Upon written request to the Superintendent or designee, the Union shall receive
19 an additional fifty (50) days of release time for the fiscal year for conducting Union
20 business. The Union shall reimburse the District at the Classified Bargaining Unit
21 Member's daily rate of pay, or possible overtime expenses, for each day expended
22 under this paragraph.

23 The Union recognizes the obligation to keep appropriate records for the purpose
24 of establishing the necessary documentation for reimbursement of the costs involved in

1 this provision which are obtainable through application to the State Board of Control by
2 the District.

3 UNION COMMUNICATION

4 Every effort will be made to inform Classified Bargaining Unit Members to direct
5 communications to Union headquarters and not at the Union representative's work site
6 or location. Exceptions to this provision may be considered appropriate when issues of
7 employee health and safety or matters of urgency are involved.

8 NEW HIRE ORIENTATIONS

9 Definitions

10 “Newly hired employee” or “new hire” means any Classified Bargaining Unit
11 employee or hourly Bargaining Unit Employee, newly hired by the District. It includes
12 employees who are or have been previously employed by the District and whose
13 current position has placed them in the Bargaining Unit. For those latter employees, for
14 purposes of this New Hire Orientations agreement only, the “date of hire” is the date
15 upon which the employee’s status changed to place the employee in the USW Unit.

16 New employee orientation is defined as an event, whether in person, online or
17 through other means, where new employees are welcomed and learn about the
18 organization and their union.

19 District Notice to USW

20 The District shall provide the USW President electronic notice of the orientation
21 date, location, and time so that a USW representative can meet with the new employee
22 upon the conclusion of the District’s process.

23 The Union shall receive not less than ten (10) days’ notice in advance of a new
24 hire orientation unless there is an unforeseeable need requiring a shorter notice period.

1 The District shall endeavor to maintain consistency in the scheduling of new employee
2 orientations.

3 *Orientations*

4 In collaboration with the Union, the District shall have the right to modify the
5 orientation as needed. The Union shall be provided with up to thirty (30) minutes of
6 time at new hire orientations for classified contract and hourly employees. The District
7 shall pay hourly employees being hired as contract employees only for a period of not to
8 exceed 2.5 hours.

ARTICLE 44

DRUG AND ALCOHOL TESTING

A drug-free and alcohol-free workplace promotes employee safety and health. The District may require that an individual employee submit to a drug test in instances where the employee's demeanor, appearance, and/or conduct present reasonable suspicion that the individual's judgment is possibly impaired as the result of drug or alcohol consumption. Reasonable suspicion must be reported to a supervisor and/or District administrator.

The District agrees to provide such tests at no cost to the employee. The District further agrees that such tests be administered while the employee is on the paid time of the District. The employee will be placed on a paid administrative leave basis pending the outcome of the drug/alcohol test. If the test is negative, the employee will be so notified and returned to work. If the test is positive, the test results will be used to offer the employee the opportunity to participate in a rehabilitation program through the District-sponsored employee assistance program or medical benefit program, and any other progressive disciplinary action.

In the event that an employee refuses to submit to a drug or alcohol test, such refusal will be the equivalent of a positive test result.

A letter of intent clarifying the application of this Article as follows:

1. That the article in no way relates to implementation of random or post-accident testing pursuant to the Federal Omnibus Transportation act.
2. That the Article in no way modifies the District's position as stated in Article 15.

ARTICLE 45

MEMORANDA OF UNDERSTANDING

All Memorandums of Understanding agreed to shall remain in effect unless the parties agree to a specified time limit.

ARTICLE 46

REDUCTION IN FORCE

The District will comply with all applicable laws and codes regarding Reduction in Force.

Length of continuous service (District seniority/initial date of hire as contract permanent employee) shall be controlling.

For purposes of this clause, the phrase "length of continuous service with the District" shall mean continued service as a permanent Classified Bargaining Unit Member of the Fontana Unified School District. The length of continuous service shall be calculated from the date the Classified Bargaining Unit Member first renders paid service to the District in permanent status. During probation, the Classified Bargaining Unit Member does not accrue seniority. Following completion of probation, the Classified Bargaining Unit Member's seniority will be calculated from the date he/she first rendered paid service in probationary status.

Length of continuous service shall be broken only by:

1. Termination for Just Cause.
2. Resignation.
3. Retirement.
4. Lay-off for a period of thirty-nine (39)-months.
5. Failure to return to work after authorized leave of absence.

Acceptance of the definition of "length of continuous service" by the Union constitutes on its behalf of the employees in the Classified Bargaining Unit a clear, specific and unequivocal designation of its rights and the rights of Classified Bargaining Unit Members it represents to use date of hire, under Section 45308 of the Education

1 Code.

2 The following procedure will be followed when two (2) or more Classified
3 Bargaining Unit Members begin rendering paid service on the same day:

4 1. In the event that two (2) or more Classified Bargaining Unit Members
5 render paid service in the same classification on the same day, the order of employment
6 shall be determined by lot drawn by the Associate Superintendent, Human Resources,
7 or designee.

8 2. The above drawing by lot will be done in the Human Resources Office,
9 and present at such drawing will be the Associate Superintendent, Human
10 Resources/Designee, the Union President/Designee, and a third person, to be
11 appointed by the Associate Superintendent, Human Resources.

12 3. In the event that a Classified Bargaining Unit Member has previously been
13 a substitute employee in the District in the classification being filled, the substitute
14 service will be considered for seniority purposes.

15 For example, if three (3) individuals are hired on the same date and one of them
16 has been a substitute employee for nine (9) months, and another one has been a
17 substitute employee for six (6) months, and the third individual has had no substitute
18 experience, the individual with the nine (9) months of substitute service will be counted
19 as having seniority over the other two (2) individuals. In no event is it to be construed
20 that the original date of substitute service will be the original date of hire. The date of
21 hire will be the date which the Classified Bargaining Unit Member is approved for
22 permanent employment in the District. Accordingly, the District acknowledges length of
23 service as a substitute employee only as it pertains to assigning a date of hire within this
24 clause.

1 4. When the order of employment has been established, such notice shall be
2 entered on the employee's employment record.

3 5. This procedure is to be utilized only for the purpose of assigning a date of
4 hire when there are multiple applicants. All other rules and procedures will continue in
5 effect pursuant to Board Policy and laws.
