clear behavioral health

A Your Behavioral Health Brand

A clear path to mental health and addiction recovery.

From our expertly trained clinical teams to our thoughtfully designed centers, we're committed to delivering innovative treatments to the highest clinical standards for the best possible outcomes. We understand medication and talk therapy aren't the only option.

Intensive Outpatient

Available for both teen and adult **MH and SUD** clients, this level of care is often a step down from PHP

Ages 12+

3 hours/day, 3-5 days/week

Partial Hospitalization Program

Available for adult clients seeking primary **MH or SUD** treatment, often a step-down from Residential

Ages 18+

6 hours/day, 5 days/week

Alcohol & Substance Abuse Detox

Residential detox programs help manage withdrawal from substance abuse to empower lasting recovery

Ages 18+

Typically 5-7 days

Residential Programs

A safe, home-like alternative to hospital stabilization, offering 24/7 support for **MH or SUD** clients

Ages 18+

28+ day (target duration)

Virtual Mental Health IOP

Accessible primary **MH** treatment from the comfort of home anywhere in the state of California

Ages 18+
