CLOTHING

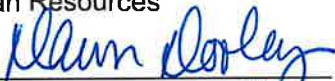

~~Classified~~ Bargaining Unit Members are required to report to work dressed appropriately and professionally and practice personal hygiene for the job in which they are employed. However, it is not the District's practice to require uniforms. If during the term of this Agreement the District requires the wearing of uniforms, the District shall provide said uniforms and provide for their replacement in the event said uniforms are damaged as a result of wear during work. During the term of this Agreement, the District shall continue its current practice of laundering required mechanics' overalls.
